New Addition to Sales Team

"Committed to Service Beyond Expectations"

COLFAX, North Carolina --- January 20, 2014 --- Green Resource was delighted to add David Dettmer, CGCS to their sales team. Mr. Dettmer was most recently a professional salesman for John Deere Landscapes serving central North Carolina. He was a former certified golf course superintendent at the prestigious TPC Piper Glen (Charlotte, NC) for 12 years, which hosted several Senior PGA Tour events. Also, Mr. Dettmer spent six years at Lawrence Country Club (Lawrence, KS) as their golf course superintendent.

He is a graduate of University of Nebraska, where he earned a Bachelor of Science degree in Agriculture, with a major in Horticulture.

Mr. Dettmer will be responsible for developing and managing the Golf market segment in Charlotte, NC and Greenville/Spartanburg, SC. His cellular number is: (704) 572-2804 and his e-Mail address is ddettmer@green-resource.com.

Green Resource, LLC

Founded in 1994, Green Resource is a wholesale distributor, who markets and sells professional-grade fertilizer, chemicals, native and turfgrass seed, and erosion control products from five strategically-located warehouses. The company serves golf courses, lawn care operators, grounds maintenance companies, nurseries, retail lawn and garden centers, greenhouses, and prominent landscaping firms throughout North Carolina and South Carolina. Green Resource is a privately-held, limited liability North Carolina corporation.
