Herring: New TCNC Director

"Committed to Service Beyond Expectations"

CARY, North Carolina --- January 25, 2011 --- Robert Herring, Green Resource's Director of Sales & Marketing, was elected to a three-year term on the Board of Directors for the Turfgrass Council of North Carolina (TCNC).

The mission of the Turfgrass Council of North Carolina is to promote the Turfgrass Industry in North Carolina through continuing education, career development, support of North Carolina State University research and extension, environmental stewardship, and governmental advocacy.
