FMC Corporation

"Committed to Service Beyond Expectations"

COLFAX, North Carolina --- May 12, 2014 --- Jonathan Annas and Todd McPeak, the company's two principals are pleased to announce that Green Resource secured a contract with FMC Corporation as an authorized distributor. "FMC Corporation presents a strong value proposition to our customers in terms of their product portfolio, featuring innovative herbicides to control a broad array of difficult weeds." stated Jonathan Annas. "We are indeed excited to have them become one of our prominent supply chain partners."
