New Addition to Sales Team

"Committed to Service Beyond Expectations"

COLFAX, North Carolina --- August 6, 2009 --- Green Resource adds a new sales professional to their team. Mike Vaughan is a Certified Turfgrass Professional (CTP) and Certified Plant Professional (CPP). He currently serves on the Turfgrass Council of North Carolina's Board of Directors.

He spent the last 14 years of his career with LESCO, Inc. (now known as John Deere Landscapes) in field sales and sales management. His core competencies include:

Fertilizer • Combination Products • Pesticides • Turfgrass Seed

Mr. Vaughan will be accountable for the Lawn Care market segment in the Charlotte Metropolitan Statistical Area (MSA). His cellular number is: (704) 220-7451 and his e-Mail address is mvaughan@green-resource.com.

Green Resource, LLC

Founded in 1994, Green Resource is a wholesale distributor, who markets and sells professional-grade fertilizer, chemicals, native and turfgrass seed, and erosion control products from four strategically-located warehouses. The company serves golf courses, lawn care operators, grounds maintenance companies, nurseries, retail lawn and garden centers, greenhouses, and prominent landscaping firms throughout North Carolina and South Carolina. Green Resource is a privately-held, limited liability North Carolina corporation.
