Cleary Chemical, LLC

"Committed to Service Beyond Expectations"

COLFAX, North Carolina --- September 10, 2010 --- Green Resource is pleased to inform our all customers that the company signed a distribution contract with Cleary Chemical, LLC. "We're very proud to be affiliated with Cleary Chemical. They are the world's leading authority in regard to thiophanate-methyl chemistry. Cleary Chemical manufactures time-tested products which provide excellent disease control. Our customers like their insecticides and speciality products too," stated Jonathan Annas, a Green Resource principal.

Cleary Chemical, LLC

For more than 70 years, Cleary Chemical, a New Jersey based company, has supplied the Turf & Ornamental Industry with superior, high quality plant protection products, utilizing the most advanced technology, featuring the Cleary 3336 product line.
